### FCA Free Carrier

Seller clears the goods for export and hands them to the carrier the buyer nominated.

### FAS Free Alongside Ship

Sea and inland waterway only. Seller delivers alongside the vessel; loading is on the buyer.

### FOB Free On Board

Sea and inland waterway only. Risk passes once the goods are on board. The most common buying term.

### CFR Cost and Freight

Seller pays the main carriage but carries no insurance obligation; risk still passes on loading.

### CIF Cost, Insurance and Freight

As CFR, plus the seller must buy and pay for cargo insurance (minimum cover unless you agree more).

### CPT Carriage Paid To

Any mode. Seller pays carriage through to the named destination; insurance is not obligatory.

### CIP Carriage and Insurance Paid

As CPT, plus the seller must insure the cargo through to the named destination.

### **DAT Delivered At Terminal (DPU)**

Seller delivers unloaded at the named terminal. Renamed DPU (Delivered at Place Unloaded) in Incoterms® 2020.

### **DAP Delivered At Place**

Seller delivers to your address ready for unloading; import clearance and duty stay with the buyer.

### **DDP Delivered Duty Paid**

Seller carries everything through to your door, duty and tax included. Highest quoted price, least buyer workload.

**Two things worth flagging.** Under CIF and CIP the seller is obliged to buy cargo insurance and pay the premium; under every other term insurance is optional, and we recommend buyers arrange their own cover so a loss or damage in transit is recoverable. And this table is a working summary for planning purposes — the binding definitions are the ones published by the International Chamber of Commerce in the Incoterms® rules, so confirm the exact term wording in your sales contract before you ship.
